LEARN MORE

To learn more about safety groups, contact Texas Mutual at (800) 859-5995.

The Social Services Agencies of Texas safety group provides a money-saving workers' comp coverage solution for community action agencies, senior citizen programs, after-school programs, and other social service agencies.

In addition to a premium discount, members have access to an industry-specific safety plan and can qualify for a group dividend. Texas Mutual policyholders also have exclusive access to more than 2,000 free safety resources, including 400 e-Learning online modules, to help keep their workers safe.

DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of the Social Services Agencies of Texas, you may qualify for an additional group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
