

AN ALLIANCE OF ASSOCIATIONS

# TEXAS CONSTRUCTION ASSOCIATION

## What is Texas Construction Association (TCA)?

TCA is a membership organization for construction subcontractors and suppliers. Its primary objective is to provide advocacy for subcontractors and suppliers, strengthening their voices and influencing issues that affect the industry. TCA envisions a level playing field in the construction industry with reasonable laws and regulations for fair distribution of responsibility.

TCA comprises 15 subcontractor and supplier associations and represents over 2600 companies. Our Association Members are:

- ★ American Subcontractors Association of Texas
- ★ Central Texas Subcontractors Association
- ★ D/FW Drywall and Acoustical Contractors' Association
- ★ Mechanical Contractors Association of Texas
- ★ Texas Glass Association
- ★ National Electrical Contractors Association of Texas
- ★ Plumbing-Heating-Cooling Contractors of Texas
- ★ Precast Concrete Manufacturers' Association of Texas
- ★ Southwest Terrazzo Association
- ★ Texas Structural Steel Institute
- ★ Texas Council - Painting & Decorating Contractors
- ★ Texas Crane Owners' Association
- ★ Texas Fire Sprinkler Contractors Association
- ★ Texas Iron Workers Employers' Association
- ★ Texas Masonry Council

## What Are The Benefits of Membership?

### MEMBER PROGRAMS

**Workers' Compensation Insurance safety group with Texas Mutual Insurance Company** - Through its group purchasing power, TCA members receive premium discounts on workers' compensation insurance. In addition to receiving lower premiums, participants are eligible for Texas Mutual individual dividends as well as TCA group dividends. Coverage can be purchased through the member's insurance agent.

**Education resources for members** - TCA webinars assist members in staying well informed about construction industry laws and contractor rights. TCA members learn from demonstrated experts at discounted rates.

**Members resource area on TCA website** - Our continually expanding online storehouse of references includes a contract clause library and industry-related legislative issue briefs.

### GOVERNMENT ADVOCACY

**TCA has led the way in lobbying for legislative reforms in the construction industry.** TCA serves as the primary state legislative advocate for subcontractors and suppliers in Texas and continues to gain influence on their behalf.

**TCA communicates with its members.** TCA publishes newsletters and legislative alerts, contributes to industry journals and eagerly seeks members' testimonies, feedback and suggestions.

**TCA organizes political and legislative involvement of its members.** During the first month of each Legislative Session, TCA hosts a LEGISLATIVE ROUNDUP & WALK ON CAPITOL where subcontractors, suppliers, spouses and significant others gather at the State Capitol to meet and communicate directly with legislators and state officials.

**TCA Political Action Committee (PAC)** - TCA PAC supports candidates who play an integral role in the success of the TCA legislative agenda and who will help ensure that the subcontractor and supplier voices are heard.
