Group Discount Program**

TexasMutual
Insurance Company

Workers' compensation is good medicine. At Texas Mutual Insurance Company, we take care of Texas hospitals and medical facilities with lower premiums and a healthy range of services.

Just what the doctor ordered

Workers' comp is the only coverage that provides medical and income benefits for injured workers *and* legal protection for employers. State law allows employers in similar businesses to reduce their premiums by purchasing their coverage as a group. The Hospitals of Texas (HOTComp) group discount program, also known as a purchasing group, is open to Texas hospitals and their majority-owned subsidiary businesses. Visit www.texasmutual.com for a list of qualifying class codes.

A dose of discounts

HOTComp members get a discount on their premiums and an industry-specific safety plan. Members are also eligible to participate in the individual and group dividend programs.* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.

Texas Mutual Insurance Company is your long-term workers' comp solution. Other benefits of *Texas Mutual*[®] coverage include:
