Social Services Agencies  
of Texas  
Workers' Compensation  
Group Discount Program

TexasMutual<sup>®</sup>  
Insurance Company

## Saving money

Workers' compensation is the only insurance that provides medical and income benefits for injured workers *and* legal protection for employers.

State law allows employers in similar businesses to buy their workers' comp coverage as a group. These group discount programs, also known as purchasing groups, give members a premium discount, an industry-specific safety plan and potential dividends.\* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.

## Serving those who serve others

The Social Services Agencies of Texas (SSA) group provides a money-saving coverage solution for community action agencies, senior citizen programs, after-school programs and other social service agencies, such as Meals on Wheels and Head Start.

Any licensed Texas agent can submit qualifying clients for group membership. For a list of qualifying class codes, visit [www.texasmutual.com](http://www.texasmutual.com), or call (800) 859-5995.

## Leading the way

Social Services Agencies of Texas chose Texas Mutual Insurance Company, the state's leading provider of workers' comp insurance, to underwrite the group. Care Providers Insurance Services LLC administers the group.
