Keys are an important part of your business. Ours, too. The Texas Apartment Association (TAA) group discount program, also known as a purchasing group, opens the door to lower workers' compensation premiums—just another way we're looking out for our neighbors.

The floor plan

Workers' comp is the only coverage that provides medical and income benefits for injured workers *and* legal protection for employers. The TAA-endorsed group discount program is open to property and condo managers. For a list of qualifying class codes, go to www.texasmutual.com, or call (800) 859-5995.

Amenities

TAA group members get a discount on their premium. Eligible members can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.

Group members can also adopt a safety plan developed for their industry, and they are eligible for potential individual and group dividends.*
