TexasMutual[®]
Insurance Company

Guaranty Insurance Services Inc. is one of the largest independent insurance agencies in Texas. Texas Mutual Insurance Company is the state's leading writer of workers' compensation insurance. Together, they offer lumber and wood products professionals a cost-saving alternative on their workers' comp premiums.

Out of the woods

Workers' comp insurance is the only coverage that provides medical and income benefits for injured workers *and* legal protection for employers. State law allows employers in similar businesses to reduce their premiums by purchasing their coverage as a group.

The Texas Lumber and Wood Products (TLWP) purchasing group is open to loggers, sawmills and most forms of wood products manufacturing, including window, door, casing, cabinet and truss manufacturers. For a list of qualifying class codes, visit www.texasmutual.com, or call (800) 859-5995.

Clear-cut benefits

TLWP group members get a discount on their premiums, an industry-specific safety plan and potential dividends.* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.

A cut above the rest

Texas Mutual Insurance Company is your long-term workers' comp solution. Other benefits of *Texas Mutual*[®] coverage include:

- "Zero tolerance for fraud" policy
- Cost-containing claim management techniques
- Timesaving online services at www.texasmutual.com
- Long-term commitment to Texas employers
