Workers' Compensation  
Group Discount Program

TexasMutual<sup>®</sup>  
Insurance Company

**If** you have people who chop, slice, fry, stir, sauté, boil, bake and bus, you should join the Texas Restaurant Association (TRA) workers' compensation group discount program. Group members get a premium discount and a full menu of services.

### Basic ingredients

Workers' comp is the only coverage that provides medical and income benefits for injured workers *and* legal protection for employers.

State law allows employers in similar businesses to reduce their premiums by purchasing their coverage as a group. The TRA group discount program, also known as a purchasing group, is open to restaurateurs. For a list of qualifying class codes, visit [www.texasmutual.com](http://www.texasmutual.com), or call (800) 859-5995.

### Buffet of benefits

TRA group members get a discount on their premium, an industry-specific safety plan and potential dividends.\* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.

### Full menu of services

Texas Mutual Insurance Company is your long-term workers' comp solution. Other benefits of *Texas Mutual*® coverage include:

- "Zero tolerance for fraud" policy
- Cost-containing claim management techniques
