Workers' Compensation  
Group Discount Program

TexasMutual<sup>®</sup>  
Insurance Company

**E**very day, Texans count on your people to be there for them. The Emergency Service Organization (ESO) group discount program is there for *you* with affordable workers' compensation coverage for your employees and volunteers.

### Protecting those who protect Texans

Workers' comp is the only coverage that provides medical and income benefits for injured workers *and* legal protection for employers.

State law allows employers in similar businesses to reduce their premiums by purchasing their coverage as a group. The ESO group discount program, also known as a purchasing group, is open to firefighters and nonprofit ambulance services. For a list of qualifying class codes, visit [www.texasmutual.com](http://www.texasmutual.com), or call (800) 859-5995.

### Safety – and savings – in numbers

ESO group members get a discount on their premium, an industry-specific safety plan and potential dividends.\* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.
