Workers' Compensation
Group Discount Program

Texas Mutual[®]
Insurance Company

The Texas Medical Group (TMG) workers' compensation group discount program gives you lower premiums and a healthy dose of services.

An ounce of prevention

Workers' comp is the only coverage that provides medical and income benefits for injured workers *and* legal protection for employers.

State law allows employers in similar businesses to reduce their premiums by purchasing their coverage as a group. The TMG group discount program, also known as a purchasing group, is open to health service providers. For a list of qualifying class codes, visit www.texasmutual.com, or call (800) 859-5995.

Dispensing discounts

TMG group members get a discount on their premium, an industry-specific safety plan and potential dividends.* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.

Get the **TMG** group
discount on *your* workers'
comp premium.
