NFIB Workers' Compensation  
Group Discount Programs

TexasMutual®  
Insurance Company

**By** pooling its purchasing power, the National Federation of Independent Business (NFIB) earns substantial discounts on business products and services for its members. In Texas, NFIB teamed up with Texas Mutual Insurance Company to create workers' compensation group discount programs, also known as purchasing groups, for NFIB members in:

- Wholesale/Retail
- Manufacturing
- Construction

### Ringin' up savings

- Group members receive a premium discount based on the group's premium volume, regardless of their individual premium size.
- Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.
- Each company in the group retains its own experience modifier.

### Assembling group benefits

- Workers' comp is the only insurance that provides medical and income benefits for injured workers *and* legal protection for Texas employers.
- Group members benefit from claim and loss prevention services, including a safety plan developed for each industry, free streaming videos and other materials in the Safety resource center at [www.texasmutual.com](http://www.texasmutual.com).
- Any licensed Texas agent can submit qualifying clients for membership. For a list of qualifying class codes, visit [www.texasmutual.com](http://www.texasmutual.com), or call (800) 859-5995.

### Building on success

- NFIB is the nation's largest advocacy group for small and independent businesses.
