Social Services Agencies  
of Texas  
Workers' Compensation  
Group Discount Program

TexasMutual<sup>®</sup>  
Insurance Company

## Saving money

Workers' compensation is the only insurance that provides medical and income benefits for injured workers *and* legal protection for employers.

Group discount programs, also known as purchasing groups, give members a premium discount, an industry-specific safety plan and potential dividends. Policyholders also have access to free streaming videos and other resources in the Safety resource center at [www.texasmutual.com](http://www.texasmutual.com). Eligible group members can earn an additional discount by participating in Texas Mutual's workers' comp health care network.

## Serving those who serve others

The Social Services Agencies of Texas (SSA) group provides a money-saving coverage solution for community action agencies, senior citizen programs, after-school programs and other social service agencies, such as Meals on Wheels and Head Start.

Any licensed Texas agent can submit qualifying clients for group membership. For a list of qualifying class codes, visit [www.texasmutual.com](http://www.texasmutual.com), or call (800) 859-5995.

## Leading the way

Social Services Agencies of Texas chose Texas Mutual Insurance Company, the state's leading provider of workers' comp insurance, to underwrite the group.
