The Texas Machinery and Equipment Dealers (TM&E) group discount program offers lower workers' compensation premiums and a host of heavy-duty services. ### Standard equipment

Workers' comp is the only coverage that provides medical and income benefits for injured workers *and* legal protection for employers. State law allows employers in similar businesses to reduce their premiums by purchasing their coverage as a group. The TM&E group discount program, also called a purchasing group, is open to all machinery and equipment dealers.

### Turbocharged savings

TM&E group members get a discount on their premium, an industry-specific safety plan and potential dividends.\* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.
