Group Purchase Program

TexasMutual[®]
Insurance Company

Every day, Texans count on your people to be there for them. The Emergency Service Organization (ESO) group purchase program is there for *you* with affordable workers' compensation coverage for your employees and volunteers.

Protecting those who protect Texans

Workers' comp is the only coverage that provides medical and income benefits for injured workers *and* legal protection for employers.

State law allows employers in similar businesses to reduce their premiums by purchasing their coverage as a group. The ESO group purchase program is open to qualifying firefighters and nonprofit ambulance services. For a list of eligible class codes, visit www.texasmutual.com, or call (800) 859-5995.

Safety – and savings – in numbers

ESO group members get a discount on their premium, an industry-specific safety plan and potential dividends.* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.
