Group Purchase Program

TexasMutual[®]
Insurance Company

From appliances to zippers, making things is your business, and making workers' compensation coverage for Texas manufacturers is a big part of ours. The Texas Association of Manufacturers (TAM) group purchase program gives you a premium discount and a nonstop assembly line of services.

The raw materials

Workers' comp is the only coverage that provides medical and income benefits for injured workers *and* legal protection for employers.

State law allows employers in similar businesses to reduce their premiums by purchasing their coverage as a group. The TAM group purchase program is open to qualifying manufacturers. For a list of eligible class codes, visit www.texasmutual.com, or call (800) 859-5995.

Churning out value

TAM group members get a discount on their premium, an industry-specific safety plan and potential dividends.* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.
