Texas Automotive
Group Purchase Program

TexasMutual[®]
Insurance Company

A

n efficient-running engine gets more from less. It's the same with workers' comp coverage. The Texas Automotive group purchase program helps you lower your workers' comp premium and earn potential dividends.

10-point tune-up

Join the Texas Automotive group purchase program and get a 10-point tune-up on your business.

Members enjoy:

- A group premium discount
- An additional discount for joining Texas Mutual's workers' comp health care network*
- Potential dividends if you control your losses**
- An industry-specific safety plan
- Effective claim management techniques
- Fraud control services
- Medical and income benefits for your injured workers
- Legal protection for you
- Free streaming videos and other materials in the Safety resource center at www.texasmutual.com
- Help getting injured workers back on the job
