TXOGA
TEXAS OIL & GAS ASSOCIATION | SINCE 1919

In your line of business, you give Texans the resources to power our future. The Texas Oil & Gas Association (TxOGA) safety group returns the favor by lowering your workers' comp premium. TxOGA is open to businesses in oil and gas exploration and production.

In addition to a premium discount, members have access to an industry-specific safety plan and can qualify for a group dividend. Texas Mutual policyholders also have exclusive access to more than 2,000 free safety resources, including 200 e-Learning online modules, to help keep their workers safe.

\$ DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of TxOGA, you may qualify for an additional group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
