

Getting prescriptions

To help you save on prescription costs, we've partnered with OptumRx. Simply provide the information below to a participating pharmacy. You are not required to use OptumRx to obtain your prescriptions, but we encourage you to take advantage of this benefit available to you.

Processor Control Number: CAL

Bin Number: 004261

Group Number: TXSMFF

Participating pharmacies include:

Walgreens, CVS, Walmart, Kroger, Target, Costco, Sam's Club, Brookshire, H-E-B and Tom Thumb

First Fill

Helping workers take the first step toward getting well

Visit texasmutual.com/workers to learn about the First Fill Program, which provides a seven-day supply for each covered prescription with a maximum of \$500 per prescription, even before a claim has been filed.
