## LEARN MORE

To learn more about safety groups, contact Texas Mutual at (800) 859-5995.

A membership with Lone Star Energy safety group brings a smart alternative for workers' compensation coverage. The safety group is open to butane and propane gas dealers and operators in Texas.

In addition to a premium discount, members have access to an industry-specific safety plan and can qualify for a group dividend. Texas Mutual policyholders also have exclusive access to more than 2,000 free safety resources, including 200 e-Learning online modules, to help keep their workers safe.

## \$ DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of Lone Star Energy, you may qualify for an additional group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
