Your workers' compensation coverage comes fully loaded when you join the Lone Star Auto Dealers Association safety group. Membership is open to franchised auto, truck, RV, boat and motorcycle dealerships.

In addition to a premium discount, members have access to an industry-specific safety plan and can qualify for a group dividend. Texas Mutual policyholders also have exclusive access to more than 2,000 free safety resources, including 200 e-Learning online modules, to help keep their workers safe.

\$ DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of the Lone Star Auto Dealers Association, you may qualify for an additional group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
