Tee up for a discount when you join the Texas Recreation Safety Group, open to qualifying golf clubs, health clubs, tennis clubs, country clubs, fishing clubs, bowling alleys and other businesses in the recreation industry.

In addition to a premium discount, members have access to an industry-specific safety plan and can qualify for a group dividend. Texas Mutual policyholders also have exclusive access to more than 2,000 free safety resources, including 200 e-Learning online modules, to help keep their workers safe.

\$ DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of the Texas Recreation Safety Group, you may qualify for an additional group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
